

Republic of the Philippines

CARAGA STATE UNIVERSITY

Ampayon, Butuan City

Caraga State University
YouthMappers

in collaboration with CSU - Department of Geodetic Engineering
and Caraga Center for Geo-Informatics

Certificate of Participation

IS GIVEN TO

IRISH JULIANNE GO

for his/her participation in **MapTalks: A Lecture Series – Lecture 1**, entitled **Accessing Open Spatial Databases for Mapping Applications**, organized by the Caraga State University – YouthMappers, in collaboration with the Caraga Center for Geo-Informatics (CCGeo), the Department of Geodetic Engineering of Caraga State University, the Geodetic Engineers of the Philippines, Inc. – Caraga Regional Division, and the CSU Young Geodetic Engineering Students Society.

This session was held via Zoom and Facebook Live on August 30, 2025, and focused on introducing participants to open-access geospatial platforms—GeoPortal PH and Hazard Hunter PH—to support community-based mapping, hazard assessment, and data-driven advocacy.

Given this 30th day of August 2025.

ENGR. ARNALDO C. GAGULA

Center Chief, Caraga Center for Geo-Informatics

ENGR. JAY P. FLORES

President, GEPI Caraga Regional Division

**MAPTALKS: A
LECTURE SERIES**

**LECTURE 1:
“ACCESSING OPEN
SPATIAL DATABASES
FOR MAPPING
APPLICATIONS”**
